Dear University Rector/President:

We are extending our warmest invitation to your university to send participants to participate in our meaningful and exciting event: **ASEAN Youth Leaders Camp (ASEAN YLC) 2014**, which will be held at Maharakham University (MSU), August 20<sup>th</sup> – 30<sup>th</sup>, 2014!

**ASEAN YLC** is an intensive educational cultural experience for college students of ASEAN countries, designed to enhance the leadership skills and personal development of the participants. Over 100 students will not only learn about leadership but also the nature, the history, and cultural diversity of different countries in ASEAN, as well as an opportunity to participate in eco-tour and visit tourist attractions in Thailand. Moreover, we would like to build a good camaraderie within our students in response for the 2015 ASEAN Community preparation and to continue the exchanging and sharing of our cultures and traditions.

In connection with this, we would like to offer a “Camp Scholarship” for your students to participate in this intriguing program and would like to encourage you to recommend at most 3 students to participate. Please note that the final decision will be made by our office, may you kindly understand. The selected applicants will be granted an “ASEAN Youth Leaders Camp Scholarship” from our university which will cover the registration fee, tuition and study materials, all activity expenses, accommodation, meals (breakfast, lunch and dinner), travelling cost within the vicinity of the camp, travel insurance, all tours and entry tickets to exhibitions and tourist attraction and a certification of participation at the end of the program.

Attached is the invitation package consisting of the information brochure, application form and indemnity form. Kindly forward the invitation package to all interested students in your university. We sincerely hope that your students will get the chance to participate in this camp which will enrich them with an ASEAN exposure while having fun!
